Dear King Members, Friends, and Family:

Happy New Year to you! We appreciate your support this past year of our Home. Thank you to all who have done your part to mitigate your potential exposure to COVID and seasonal respiratory illnesses when you visit our campus.

Since we updated you December 19, we have had 1 member and 2 employees test positive for COVID-19. Accounting for all recent recoveries, currently we have 3 cases of COVID-19 on campus (1 member, 2 employees).

We are proactively following all CDC and Wisconsin Department of Health Services (DHS) protocols to lower the spread among members, staff, and visitors. Our commitment to the health and well-being of our members always remains our top priority.

Please be aware your sniffles, cough, or head cold symptoms could potentially be the result of COVID-19. We ask if you feel sick, please stay home until you can take a COVID test, and you fully recover from your symptoms.

We continue to encourage everyone to get their flu shot, stay current with your COVID-19 boosters, and take additional steps to protect yourself and others during the winter months. Please visit the DHS webpage to find a vaccine and booster location near you (<https://www.dhs.wisconsin.gov/covid-19/vaccine-get.htm>).

Thank you for your continued commitment and support of our Home.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
